

AURORA

FRAMED FIXED PANEL SHOWER SCREEN

Introducing the latest in contemporary bathroom design Aurora, a minimalistic fully framed shower screen system

Cost effective, easy to install and ultra modern. Our slimline 25mmx15mm aluminium, fully framed, Aurora shower screen provides a stylish, cost efficient fixed solution.

High Quality Aluminium Frame

Durable aluminium extrusion frame (15mm x 25mm). Available in a polished or matte black finish.

Easy Installation

a quick and easy installation thanks to the 28mm x 20mm U channel. 5mm width adjustability allows the U channel to be fixed to off-square walls and installations.

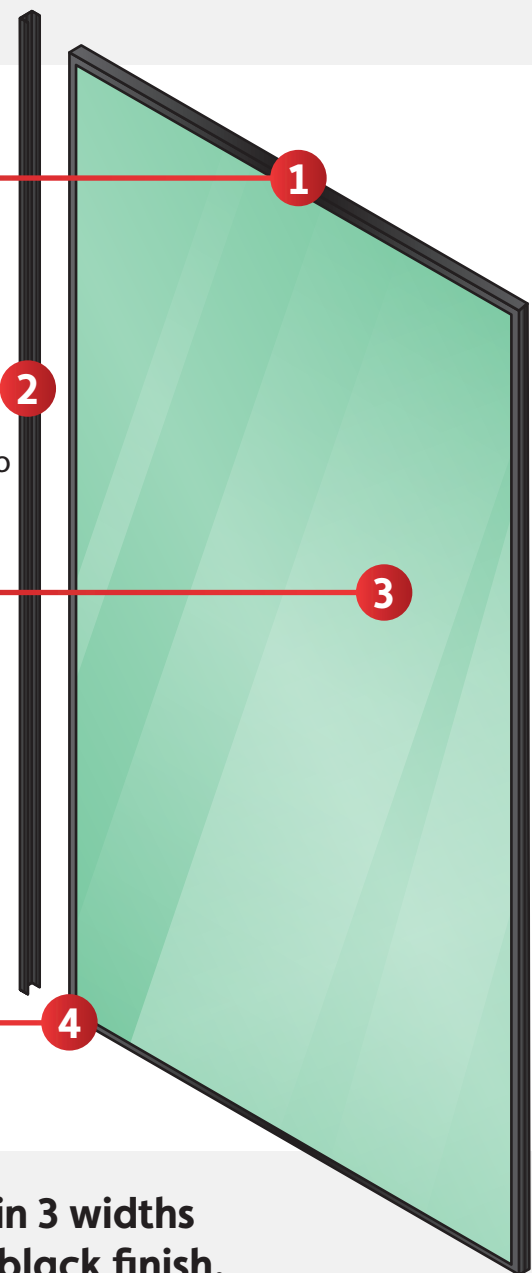

Pristine Premium Glass

Clear, toughened 6mm, high quality, glass. AS/NZS 2008 compliant

Functional Design

Special internal 90 corner stakes to ensure mitred corners stay perfectly together.

Each panel is carefully and individually packed.

Panels are 2000mm high and available in 3 widths framed in a premium polished or matte black finish.
