Manufactured By
Distinguishing Marks N034468

Test Details

Test Specification AS 4991-2004
Working Load Limit 200.00kg
Date of Test 28/11/2016
Location of Test NFK

Minimum Load Applied

Test Description	MLA	UOM
Vacuum Lifter WLL Test all Positions	200	kg
Vacuum Lifter WLL Test all Positions	190	kg

A load as specified was applied. After removal of the load, each item was examined by a competent person and found to be free from permanent set, flaw or other visual defect, and complies with the requirements of this test. Where A. Noble & Son Ltd carry out proof tests on goods which are not their manufacture they are not responsible for the final integrity of the product if a proof test and careful visual inspection by a competent person does not identify any short comings in design or manufacture. The goods covered by this certificate have been examined and tested in accordance with the specific specification.

NATA Accredited Laboratory Number 1844
Accredited for compliance with ISO/IEC 17025

Approved Signatory (electronically signed) Rouse, Brendan

Date Approved Thursday, 15 December 2016
