AVANTI SHOWER SCREEN 6mm SLIDING DOOR SYSTEMS

AVANTI

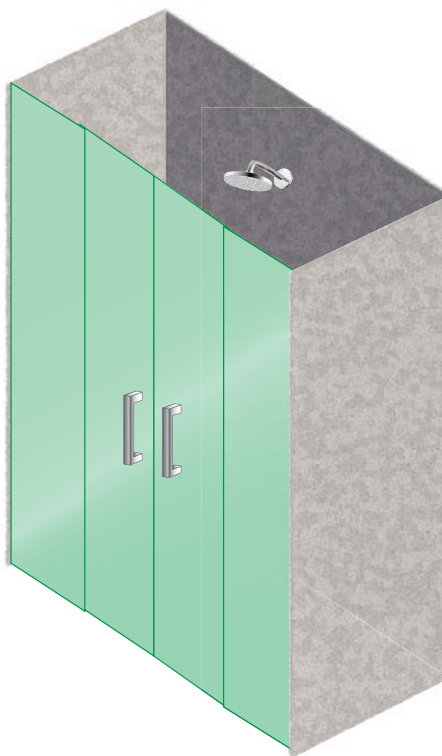

Series Overview

The AVANTI shower screen systems are available in bright polish or matt black frame finish, is a stylish and affordable semi-frameless solution for any bathroom. The overlapping sliding door system enables incredible width adjustability. This flexibility of installation does not compromise quality or aesthetic appeal.

Adjustability having regard to both width and wall squareness is the key to the AVANTI Series allowing ease of install and overcomes the traditional problem of exact sizes needed for a specific shower openings.

Don't let AVANTI good looks fool you, it's strong and practical. Designed for the rigours of daily use, AVANTI's features allow for effortless cleaning and it's hardware is engineered for durability.

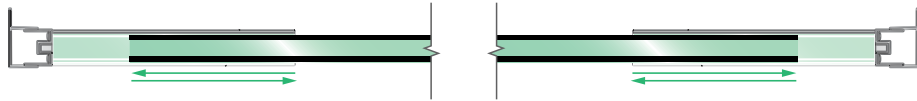

- the bottom guides can be disengaged to clean between the shower door and fixed elements
- rollers under the sill minimise friction, providing smooth operation of the door
- extremely resistant to water escaping as the door sits below the sill
- soft moulded stops prevent the door from slamming open or shut
